Dear Partners and Friends

These few months have been busy but exciting. We spent a number of weeks away in Papua New Guinea for their National Conference. Time was also spent at the church in Cairns, Queensland. Land for our church building in Lismore has been surveyed and fenced. We appreciate your support and prayer in all we are doing. We are co-workers in this great mission. Read about some of the results! See more detail and photos at our new website www.carveronline.com

A river of people receiving the Holy Ghost.....

Papua New Guinea's National Conference was held over the Easter week end. Special guest was our **General Director Bruce Howell**, along with former missionaries to this country, **Brian and Esther Henry, Regional Director Richard Denny, Brother Terry Fleetwood and Board member from Australia, Dennis Jacobsen**

On the first evening about 9000 gathered in the open air sports ground in Goroka, the Highland town 5,200 feet in the mountains. It was with much excitement and anticipation that church members gathered for three days of preaching and fellowship. On the Friday night after Brother Howell preached there were 58 who received the Holy Ghost and 35 baptised in Jesus name. However by the Saturday evening an expectant crowd listened to the anointed preaching of Brother Howell. With the ministry gathered at the altar, facing the crowd, Brother Howell called for all those who wanted the Holy Ghost. Hundreds came forward and within minutes they

were receiving the Spirit. To try to keep count on those who received the Holy Ghost, the ministry were asked take them to one side of the altar. Before us we saw a river of people being taken from the front of the platform to the side, as one after another received their own glorious infilling of the spirit. This continued for over an hour and by this time we had counted at least 500!

We are appealing for laborers for the city of Port Moresby. (Papua New Guinea) We need some one willing to assist the churches in training and leadership. Can you come for three months or more?

The Sunday services were also greatly blessed with a heartfelt farewell for Brother and Sister Henry and then great preaching by Brother Denny that night, with a further 85 receiving the Holy Ghost in the same manner as the previous night. In total we saw over 750 receive the Holy Spirit and 87 baptised in Jesus name. This was a conference for all to remember!

The church in Cairns, Queensland honoured us with a special luncheon for two years of service in the church. We are pictured with church secretary and Missions promoter Chuck and Dolly Brittain.

The church in Cairns has experienced wonderful growth these past few months with Sunday service numbering over 100. We are looking for a building as the hall is far too small. This church has a great missions giving program. New converts class is exciting and well attended. The Youth are a fine group and Sunday School is growing! How we love to see revival. Continue to pray for this church.
