CAIRNS, North Queensland, Australia. The *Jeremie Jackson family* (Tuscon, AZ)(top left) have come for one year to work in the church. How we appreciate their sacrifice! They have taught Bible Studies and ministered in a wonderful way. Thank you for this great dedication and for a burden for Cairns.

Br & Sis Banu moved from the Cairns church to an island right at the top of Australia, (see arrow on map) near to Papua New Guinea. With Bible studies and tracts they have seen three baptized. (see photos above)
