Newsletter for Foreign Missions Division *First Quarter 2008*

SHEAVES FOR CHRIST HAS BEEN MOVING THE GOSPEL for us for many years and we are so thankful to the Youth for their dedication and sacrifice in making it possible to *move the gospel!*

Above is our new SFC vehicle. To the right shows a vehicle in our first years in Papua New Guinea, moving not only the Gospel but also our water tank! This tank traversed the dangerous mountains to reach our village home perched at 6000 feet above sea level!

Miracles, signs and wonders! *In Papua New Guinea*

- An 18 year old man, Elaija Abraham, was raised from the dead after being dead for 9 hours. About 120 people were eyewitnesses to this.
- A 57 year old blind woman received her sight.
- A 42 year old man was instantly healed of chronic illness.
- This all happened at a remote village in Lufa during their New Year's services.
- In total, 14 people received INSTANT healing.
- As a result, 17 people from other denominations were baptised and filled with the Spirit as they saw such miraculous events happening.
