MINISTERS SEMINAR IN CHIMBU

We travelled by road to the Chimbu District for the three days and nights of seminars. This was a wonderful time with such fine people who are hungry for the Word of God. By the photo to the right you can see what a great crowd we had! However our journey home was another story due to a huge landslide! Read about this journey on our website www.carveronline.com

Over 500 attended a Seminar held in Kundiawa, Chimbu in February

The assembly in Australia is pastored by our son in law Rick VanSant and his wife (our daughter) Rachel.
