Friends and Partners of the Harvest in **PAPUA NEW GUINEA**,

Dodge the pot holes for five hours, ride the ferry around the coast for a day, climb aboard a pick-up truck for 10 hours, and then walk through the jungle into the highlands of Western Papua for another 13 hours and **THIS IS WHAT YOU'LL FIND.**

From **THIS** (above)

to **THIS** (above & right), **thanks to the Gospel of Jesus Christ.**

This month was also highlighted by a **four day/night Sunday school teachers training seminar** (below left & centre) where 114 SS teachers from **NEARLY EVERY PROVINCE** in PNG came, including the area mentioned above. These teachers were taught, and equipped with materials, to go back and teach other SS teachers within their areas. With their course they also received some tracts, see the **HUNGER !!!** (below)

We have also been blessed WITH A MUCH NEEDED AImer, **Rev. J. Derfus** from *Appleton, Wisconsin*
