Friends and Partners of the Harvest in **PAPUA NEW GUINEA**,

General Conference in Lae was time of great refreshing and encouragement for the church here. We were blessed to have **Rev. Richard J Carver and his wife Andrea** here as our guest speakers. **68 were baptized in JESUS' NAME** on Sat night and many filled and refilled with the Holy Spirit.

Folk wading out to be baptized

On our return to Goroka, the church gave a double celebration. They welcomed us and congratulated us on our recent full missionary appointment by the FMB in Feb. They also did a Christian cultural **“marriage welcome”** for sister Andrea Carver to “Papua New Guinea”. A fantastic expression of the love and appreciation that the church of PNG has for the missionary work and love shown by the international church. YOU!!!
